Aunt Eater Sees a Shadow

In the story Aunt Eater Sees a Shadow, there is a party at Eliza's house. Eliza, Aunt Eater, and the guests see a mysterious shadow. First, everyone searches the house to look for the thief. Next, they search outside in bushes and trash cans. After all the guests go home, Aunt Eater looks at the shadow behind Alfred. The shadow turned out to be Alfred the butler holding a tray with a cup on top of it. In conclusion, Aunt Eater solved a mystery at Eliza's house.
